Come on, come on, come on, come on take that and party
Come on, come on, come on, take that

Every part of you makes me feel that I've gotta touch you you know
If only you knew what's in my mind
I can't believe this girl

Come on, come on, come on, come on take that and party

Don't catch the fall when I play real hard
You'll never stop all my games
If you only knew what's in my mind
I can't believe this world

Come on, come on, come on, take that

Come on, come on, come on, come on take that and party
Come on, come on, come on, take that
