Let me talk to em  
I guess you know you made it when they start talking bout you, right ?  
Welcome to fame  
Ya&#039;ll don&#039;t pay me no mind, I just gotta get some stuff off my chest  
Listen

Young, energetic, famous but don&#039;t really sweat it  
Rich enough, fairly hot ... so basically sex is not  
Difficult to get  
That ain&#039;t my fault, naw naw  
Listen

And just cuz I might take advantage once or twice  
People tell me I&#039;m not right, thinking that sex was my life  
But that just ain&#039;t me  
So let me clear it for those who have obviously misread the quote  
Listen to me now

No I am not  
I&#039;m not addicted to sex  
But girl I guarantee that if you lay with me  
You just might be  
No I am not  
I&#039;m not addicted to sex  
But girl I guarantee that if you lay with me  
You just might be yeah

I wanna &#039;pologize for bein just a little freaky  
I can&#039;t help it, it&#039;s just ?  
But a problem it is not  
I&#039;m just fine ya&#039;ll  
Don&#039;t worry bout me  
Listen  
And I wanna &#039;pologize  
For bein blessed with the ability to satisfy accurately  
And quickly find the spot  
It&#039;s a gift and a curse  
Don&#039;t mess around - find my number  
In your girlfriend&#039;s purse  
No I am not  
I&#039;m not addicted to sex  
But girl I guarantee that if you lay with me  
You just might be  
No I am not  
I&#039;m not addicted to sex  
But girl I guarantee that if you lay with me  
You just might be yeah

I never been shy bout my self and sexuality  
Never been taboo (never been taboo but if I)  
Have to live without  
I know its something I could do  
But I just really don't want to

No I am not  
I'm not addicted to sex  
But girl I guarantee that if you lay with me  
You just might be  
No I am not  
I'm not addicted to sex  
But girl I guarantee that if you lay with me  
You just might be yeah
