

Free me - 1/1

Interprété par Emma Bunton.

Being with you, longing for something to happen
Biding my time, hoping to get a reaction
Atmosphere's tense, heavy with anticipation
Don't leave me here with only my imagination

Free Me
Free Me

Now Free Me
Let me loose to love you
Yeah, how I long to seduce you
Oh Free Me
Let me loose to love you
How I long to seduce you now

How long can I continue to suffer in silence ?
My aching heart can't bear to wait in such suspense
So maybe it's time to tell you just how I am feeling
This fervent desire that I have too long been concealing

Free Me
Free Me

Now Free Me
Let me loose to love you
Yeah, how I long to seduce you
Oh Free Me
Let me loose to love you
