

## Haunted - 1/2

Interprété par Kelly Clarkson.

Louder, louder  
The voices in my head  
Whispers taunting  
All the things you said  
Faster the days go by and I'm still  
Stuck in this moment of wanting you here  
Time  
In the blink of an eye  
You held my hand, you held me tight  
Now you're gone  
And I'm still crying  
Shocked, broken  
I'm dying inside

Where are you?  
I need you  
Don't leave me here on my own  
Speak to me  
Be near me  
I can't survive unless I know you're with me

Shadows linger  
Only to my eye  
I see you, I feel you  
Don't leave my side  
It's not fair  
Just when I found my world  
They took you, they broke you, they tore out your heart

I miss you, you hurt me  
You left with a smile  
Mistaken, your sadness  
Was hiding inside  
Now all that's left  
Are the pieces to find  
The mystery you kept  
The soul behind a guise

Where are you  
I need you  
Don't leave me here on my own  
Speak to me  
Be near me  
I can't survive unless I know you're with me

Why did you go?  
All these questions run through my mind

## Haunted - 2/2

I wish I couldn't feel at all  
Let me be numb  
I'm starting to fall

Where are you?  
I need you  
Don't leave me here on my own  
Speak to me  
Be near me  
I can't survive unless I know you're with me

Where are you?  
Where are you?

You were smiling
