

No one - 1/2

Interprété par Alicia Keys.

just want you close
Where you can stay forever
You can be sure
That it will only get better
You and me together
Through the days and nights
I dont worry cause
Everythings gonna be alright
People keep talking
They can say what they like
But all I know is everything's gonna be alright

No one no one no one
Can get in the way of what I'm feeling
No one no one no one
Can get in the way of what I feel for you
You you
Can get in the way of what I feel for you

When the rain is pouring down
And my heart is hurting
You will always be around
This I know for certain

You and me together
Through the days and nights
I dont worry cause
Everythings gonna be alright
People keep talking
They can say what they like
But all I know is everything's gonna be alright

No one no one no one
Can get in the way of what I'm feeling
No one no one no one
Can get in the way of what I feel for you
You you
Can get in the way of what I feel for you

I know some people search the world
To find something like what we have
I know people will try
Try to divide
Something so real
So till the end of time
Im telling you that

No one - 2/2

No one no one no one
Can get in the way of what I'm feeling
No one no one no one
Can get in the way of what I feel for you
oh oh oh....
