Now I know that I can make you stay
But where's your heart ?
But where's your heart ?
But where's your...
Now I know there's nothing I could say
To change that part
To change that part
To change...

So many bright lights that cast a shadow
But can I speak
Well, is it hard understanding ?
I'm incomplete
A life that's so demanding
I get so weak
A love that's so demanding
I cant speak

I am not afraid to keep on living
I am not afraid to walk this world alone
Honey if you stay I'll be forgiving
Nothing you can say can stop me going

Can you see my eyes are shining bright
Cuz i'm out here on the other sidr
Of a jet black hotel mirror
And im so weak
Is it hard understanding
I'm incomplete
A love that's so demanding
I get weak

I am not afraid to keep on living
I am not afraid to walk this world alon
Honey if you stay I'll be forgiving
Nothing you can say could stop me going home

I am not afraid to keep on living
I am not afraid to walk this world alon
Honey if you stay I'll be forgiving
Nothing you can say could stop me going home

These bright lights are always blinding me
These bright lights are always blinding me
I said
I see you lying next to me with words I thought I'd never speak
Awake and unafraid, asleep or dead
