

I don't love you - 1/2

Interprété par My Chemical Romance.

Well when you go
So never think I'll make you try to stay
And maybe when you get back
I'll be off to find another way

Well after all this time that you still low
You're still a good-for-nothing I don't know
So takes your gloves and get out
Better get out !
While you can

When you go would you even turn to say?
I don't love you like I did yesterday

Sometimes I cry so hard from pleading
So sick and tired of all the needles beating
But baby when they knock you
Down and out
Is where you outta say

And after all this time that you still low
Another dollar's just another blow
So fix your eyes
And get up
Better get up !
While you can

When you go would you even turn to say?
I don't love you like I did yesterday

Well come on, come on

When you go would you have the gust to say
I don't love you
Like I loved you
Yesterday

Hey, hey

I don't love you
Like I loved you
Yesterday

Hey, hey

I don't love you
Like I loved you

I don't love you - 2/2
