

## Miss misery - 1/1

Interprété par Elliott Smith.

I'll fake it through the day  
With some help from Johnny Walker red  
Send the poison brain down the drain  
To put bad thoughts in my head...  
With two tickets torn in half  
And a lot of nothing to do  
Do you miss me, miss misery,  
Like you say you do?

A man in the park  
Read the lines in my hand  
Told me I'm strong  
Hardly ever wrong I said man you mean

You had plans for both of us  
That involved a trip out of town  
To a place I have seen in a magazine  
That you left lying around...  
I don't have you with me but  
I keep a good attitude  
Do you miss me, miss misery,  
Like you say you do?

I know you'd rather see me gone  
Than to see me the way that I am  
But I am in the life anyway

Next door the tv's flashing  
Blue frames on the wall  
It's a comedy of errors, you see  
It's about taking a fall...  
To vanish into oblivion  
Is easy to do  
And I try to be, but you know me :  
I come back when you want me to...  
Do you miss me, miss misery,  
Like you say you do?
