Well, did you ever, Well, did you ever, Well, did you ever,
Did did did did did did did did you ever...

Well, did you ever wake up with them Bullfrogs on your mind?
Well, did you ever wake up with them Bullfrogs on your mind?
You had to sit there laughing, laughing just to keep from crying.

Well, did you ever wake up with that one woman on your mind?
Well, did you ever wake up with that one woman on your mind?
Sit there laughing, laughing just to keep from crying.

My mother got them, My father got them,
My sister got them, My brother got them.
I woke up this morning, Grandma & papa had them too,
Well, don't you know about that, I got the bullfrog blues. Bullfrog !!

Called up my doctor, was not feeling so well,
Well, I called up the doctor, I was not feeling so well.
He looked inside his bag and said, "Well, well"....
You don't need no doctor, You don't need no pill,
You don't need no doctor, You don't need no pill.
Just take my advice, It'll surely cure your ills :

Head on down to New Orleans, prettiest place you ever seen,
Get on down to the river bend, that's where the music never ends.
Open your ears, don't you feel good? Get yourself one helluva shot of rhythm 'n' blues !
Go on down to new Orleans, the greatest place you've ever been,
Head on down to the river bend, dig the music of the Cajun bands,
Honky-tonk piano make you feel good... Open your ears to rhythm 'n' blues.

Well, did you ever wake up with them bullfrogs on your mind?
Well, did you ever wake up with them bullfrogs on your mind?
You had to sit there laughing, laughing just to keep from crying.

Well, did you ever wake up with that one woman on your mind,
Well, did you ever wake up with that one woman on your mind,
You gonna wake up laughin', laughing just to keep from cryin'.
