

Tokyo boy (english) - 1/2

Interprété par Sandra Kim.

(Rosario Marino / Atria / Jean-Paul Furnémont)

Leaving ... under the rising sun
And discovering different people
It's beautiful, marvellous, it's great

However,
I have something like nodes in the heart
I don't know anything about you, about your customs
But I'm not scared anymore, already ...

Woo Hou Ha (Japanese cries)

CHORUS :

'Cause you're dancing, dancing, dancing
Dancing, dancing, dancing
TOKYO BOY, TOKYO BOY
'Cause you're dancing, dancing, dancing
Dancing, dancing, dancing
TOKYO BOY, TOKYO BOY
Yes, you're dancing, dancing, dancing
Dancing, dancing, dancing
Like me, like me
The music, you see, brings us closer already
Oh TOKYO BOY ...

(Guitar, Music and Japanese cries)

I see... that you, you are also looking for,
In the music, the sounds or the cries,
Something to cross life with.
We have... in spite of our differences
The same desires and the same chances
That's already a lot, I think

Woo Hou Ha (Japanese cries)

CHORUS :

'Cause you're dancing, dancing, dancing
Dancing, dancing, dancing
TOKYO BOY, TOKYO BOY
'Cause you're dancing, dancing, dancing
Dancing, dancing, dancing
TOKYO BOY, TOKYO BOY
Yes, you're dancing, dancing, dancing
Dancing, dancing, dancing

Tokyo boy (english) - 2/2

Like me, like me
The music, you see, brings us closer already
Oh TOKYO BOY ...

FINAL CHORUS :

'Cause you're dancing, dancing, dancing
Dancing, dancing, dancing
TOKYO BOY, TOKYO BOY
'Cause you're dancing, dancing, dancing
Dancing, dancing, dancing
TOKYO BOY, TOKYO BOY
Yes, you're dancing, dancing, dancing
Dancing, dancing, dancing
Like me, like me
Yes, you're dancing, dancing, dancing
Dancing, dancing, dancing
TOKYO BOY, TOKYO BOY
