

Can i have this dance - 1/2

Interprété par Hight School Musical.

Take my hand,
Take a breath,
Pull me close and take one step,
Keep your eyes, lock to mine,
And let the music be your guide
(Won't you promise me),
Now won't you promise me,
That you'll never forget,
(We'll keep dancing),
To keep dancing where ever we go next,

It's like catching lightning,
The chances of finding someone like u,
It's one in a million,
The chances of felling the way we do,
And with every step together,
We just keep on getting better,
So Can I have this dance,
(Can I have this dance)
Can I have dance,

Take my hand,
I'll take the lead,
And every turn will be surf with me,
Don't be afraid, afraid to fall,
You know I'll catch you through it all,
And you can't keep us apart,
(Even a thousands miles can't keep us apart),
Cause my heart is where ever you are,
(Cause my heart is where ever you are),

It's like catching lightning,
The chances of finding someone like u,
It's one in a million,
The chances of felling the way we do,
And with every step together,
We just keep on getting better,
So Can I have this dance,
(Can I have this dance)
Can I have this dance,

Oo....

The mountains too high, you know,
No oceans too wide,
Cause together or not,
Our dance won't stop,

Can i have this dance - 2/2

Let it rain let it pour,
What we have is worth fighting for,
You know I believe that we were meant to be,
Yeyyyyy....

It's like catching lightning,
The chances of finding someone like u,
(Ohh likee uuuu),
It's one in a million,
The chances of felling the way we do,
(We doooo),
And with every step together,
We just keep on getting better,
So Can I have this dance,
(Can I have this dance)
Can I have this dance
Can I have this dance,
Can I Have this Dance
Can I have this dance,
