

## It's a hard life - 1/1

**Interprété par Queen.**

I don't want my freedom  
There's no reason for living with a broken heart.

This is a tricky situation -  
I've only got myself to blame  
It's just a simple fact of life  
It can happen to anyone -

You win - you lose  
It's a chance you have to take with love  
Oh yeah - I fell in love  
But now you say it's over and I'm falling apart.

It's a hard life  
To be true lovers together  
To love and live forever in each others hearts -  
It's a long hard fight  
To learn to care for each other  
To trust in one another right from the start  
When you're in love -

I try and mend the broken pieces  
I try to fight back the tears  
They say it's just a state of mind  
But it happens to everyone -

How it hurts - deep inside  
When your love has cut you down to size  
Life is tough - on your own  
Now I'm waiting for something to fall from the skies  
Waiting for love.

Yes it's a hard life  
Two lovers together  
To love and live forever in each others hearts  
It's a long hard fight  
To learn to care for each other  
To trust in one another - right from the start  
When you're in love -  
Yes it's a hard life  
In a world that's filled with sorrow  
There are people searching for love in every way -

It's a long hard fight -  
But I'll always live for tomorrow  
I'll look back on myself and say I did it for love  
Yes I did it for love - for love - oh I did it for love.
