

## 21 guns - 1/2

**Interprété par Green Day.**

Do you know what's worth fighting for  
When it's not worth dying for?  
Does it take you breath away  
And you feel yourself suffocating?  
Does the pain weigh out the pride?  
And you look for place to hide?  
Did someone break your heart inside?  
You're in ruins...

One, 21 Guns  
Lay down your arms  
Give up the fight  
One, 21 Guns  
Throw up your arms into the sky  
You and I

When you're at the end of the road  
And you lost all sense of control  
And your thoughts have taken their toll  
When your mind breaks the spirit of your soul  
Your faith walks on broken glass  
And the hangover doesn't pass  
Nothing's ever built to last  
You're in ruins

One, 21 Guns  
Lay down your arms  
Give up the fight  
One, 21 Guns  
Throw up your arms into the sky  
You and I

Did you try to live on your own  
When you burned down the house and home?  
Did you stand too close to the fire?  
Like a liar looking for forgiveness from a stone

When it's time to live and let die  
And you can't get another try  
Something inside this heart has died  
You're in ruins
