

Cars hiss by my window - 1/1

Interprété par The Doors.

The cars hiss by my window
Like the waves down on the beach
The cars hiss by my window
Like the waves down on the beach

I got this girl beside me
But she's out of reach
Headlight through my window
Shinin' on the wall

Headlight through my window
Shinin' on the wall
Can't hear my baby
Though I called and called

Yeah, right, Woo!
Windows started tremblin'
With a sonic boom
Windows started tremblin'

With a sonic boom, boom
A cold girl'll kill you
In a darkened room
Yeah, woo, Ride, Ride on, Weooooo!

Wawa, eooo!, Oooo, owa, owaaa!
Wa, waaaaea!, Ooo, wa, wa, wa, wa, waa!, Uh-huh
