

Long progression - 1/1

Interprété par Red Hot Chili Peppers.

(Verse 1)

Smile when I'm shying away but I love everything of first impressions, sweet succession. Been around for quite a while, I see you kept it versatile motivated to combine even when it's bad it's fine. Did she say something that made you cry? Have you lost it all? It falls oh so slowly comes back holy.

(Chorus)

Vision takes a nap but I will put up quite a fight on, here's you ham and rye elementary the chemistry means everything to me long progression's wide.

(Verse 2)

Set it up to collect knowledge, quit a job and go to collage all about the aftershock swedish fight and superbug! Moses of Manhatten made it great then we celebrate and I love the long progression indiscretion.

(Chorus)

Vision takes a nap but I will put up quite a fight on, here's you ham and rye elementary the chemistry means everything to me long progression's wide. In between the reasons are the psychedelic seasons are simple as your stride. Information, inter mated, elegant and intergrated sweep your love and pride.

(Verse 3)

Smile 'cause it's all alright all supplied and I love everything about this sessions and this long progression.

[Guitar Solo]

Yeah!

(Chorus)

Vision takes a nap but I will put up quite a fight on, here's you ham and rye elementary the chemistry means everything to me long progression's wide. In between the reasons are the psychedelic seasons are simple as your stride. Elementary the chemistry means everything to me long progression's wide.
