

When you think about me - 1/2

Interprété par International.

When you think about me
Do you want to get

Refrain

When you think about me
Do you think about us
Falling in love
Do you want to get with me, with me
When you think about me
Do you think about us
And making love
Do you want to get with me, with me

When you sleep at night does Justin star in your dream
Are you thinking of me all the time
What does it mean
Do you fantasize to your surprise
I'm there for you
Making you realize that deep inside you want to be my boo
You're still playing those childish games so all grown up
Cause my appetite says too much is not enough
I'm curious I don't mean to make a fuss
I think about you, do you think about us

Tell me, tell me

Refrain

When you think about me

When you daydream does J.C. stay on your mind
Do you find yourself wishing you were here by my side
Do you wonder if it's possible to get me alone
You're on my pager or my telephone
When you're at a club there's no one else that turns you on
When you look at me I can tell you want to get it on
I'm curious I want to feel the heat of your touch
I think about you, do you think about us

Tell me, tell me

Refrain (x2)

Do you want to get
When you think about me
Do you want to get with me
When you think about me

When you think about me - 2/2

Tell me, tell me

Refrain (x3)

Do you want to get with me.
