

Things Don't Always Turn Out That Way - 1/1

Interprété par The Calling.

Well he can't sleep at night
And he can't do what's right
It was all because
She came into his life
It's a deep obsession
Taking up his time

Chorus:

She's all that he wants
She's all that he needs
She's everything
He just won't believe
Take away his doubt
Turn him inside out
Then she can see
What he's been
Dying to say
But things don't always
Turn out that way
And he must confess
All the impure thoughts of
His beautiful temptress
Although he keeps it all
Bottled up inside
Although he keeps it all
Safe within his mind
Oh yeah

Repeat chorus

So wipe that smile
Off your face
Before it gets too late
There's only so much time
For you to
Make up your mind

Repeat chorus
