Heartbreaker (Remix)

Da Brat:

Guess who's back in the mother don't wait

Mariah:

Oh your love's so good
I don't wanna let go
and although I should
I can't leave you alone
cuz you're so disarming
I'm caught up in the mist of you
and I, can not resist at all

boy if I do
the things you want me to
the way I used to do
Would you love me baby
holdin me feeling you
how could you go and break my heart

heartbreak you got the best of me
but I just keep on coming back incessantly
oh why did you have to run your game on me,
I should have known right from the start
you'd go and break my heart

Give me some real love,
Need someone to give me some real love(x4)

When I met ya that night baby
I didnt know it wouldn't last
I give my love to you honey
Wish I could take it all back

See I have never met a guy
That wasted my time telling lies
Should've known you'd break my heart

Da Brat:

Uh uh uh Well if the brat ever thinks about a heart a be gone
Should have known you were star struck when I left you so
My heart was stuck in the beginning but then
I gave you my heart and you broke it again
I'm a fool when you smile at me I'm convinced
I get caught up in you when I just can't resist
I know you lie to me

Heartbreaker (Remix) - 2/2

It just drives me nuts
This one kiss could persuade me to believe your bluffs
You set it up impressin me with gifts and rings
I wish love was dollars cuz money ain't a thing
Cuz when I think of MC Blew the party
I got a ready to play somebody
Is that tell me you
Is that for each member of my crew
With that I'm gonna heartbreak you
Now you flat on your back
You really don't know
So I'd advise you not to trust me yo

Baby, I'm the real thang
So what ya got me sweatin you consistantly baby
Baby, I got the good thing
So why you makin love to me you crazy baby

Missy:
I like the way he used to spank me
He used to lie me on my back take that UH
He used to have me in the sack legs back
But now he be buggin lately
Hey boy why you actin stinky
I keep it stiff like wood baby
So if you wanna keep a good lady
You need to stop with all the heartbreaking

heartbreak you got the best of me
but I just keep on coming back incessantly
oh why did you have to run your game on me,
I should have known right from the start
you'd go and break my heart

heartbreak you got the best of me
but I just keep on coming back incessantly
oh why did you have to run your game on me,
I should have known right from the start
you'd go and break my heart
