I know that your hiding things
Using gentle words to shelter me
Your words were like a dream
But dreams could never fool me
Not that easily

I acted so distant then
Didn't say goodbye before you left
But I was listening
You fight your battles far from me
Far too easily

"Save your tears cause I'll come back"
I could hear that you whispered
As you walked through that door
But still I swore to hide the pain
When I turn back the pages
Shouting might have been the answer
What if I cried my eyes out and begged you not to part
But now I'm not afraid to say what's in my heart

Cause a thousand words
Call out through the ages
They'll fly to you
Even though I can't see
I know they are reaching you
Suspended on silver wings
Oh a thousand words
A thousand embraces
Will cradle you
Making all of your weary days seem far away
They'll hold you forever

Oh a thousand words (a thousand words) Have never been spoken (ohh yeah)
They'll fly to you
They'll carry you home, (carry you home) and into my arms
Suspended on silver wings (on silver wings)
And a thousand words (ohh) Et un millier de mots (ohh)
Call out through the ages (call through the ages) They'll cradle you (ohh yeah)
Make all of the lonely years to lonely days (lonely days)
They'll hold you forever

Ohhhhhhhhhhh a thousand words...
