

Symphony of destruction - 1/1

Interprété par English.

You take a mortal man,
And put him in control
Watch him become a god,
Watch peoples heads aroll
Aroll...

/chorus/

Just like the pied piper
Led rats through the streets
We dance like marionettes,
Swaying to the symphony...
Of destruction

Acting like a robot,
Its metal brain corrodes.
You try to take its pulse,
Before the head explodes.
Explodes...

/chorus/

The earth starts to rumble
World powers fall
Awarring for the heavens,
A peaceful man stands tall
Tall...

/chorus/
